DEAR PATIENT:

Thank you for choosing us as your health care provider. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have developed this payment/office policy. Please read it, ask us any questions you may have, initial and sign in the space provided. A copy will be provided to you upon request.

PAYMENT/OFFICE POLICY

1. _____ **No Children Policy:** Due to the sensitive nature of visits and procedures as well as safety concerns, we ask that if you have children, you make alternative arrangements for childcare during your visits with our office.

2. _____ **Insurance**: We participate in most insurance plans, including Medicare. If you are *not* insured by one of our contracted plans, payment in full is expected at each visit. If you don't have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. *Knowing your insurance benefits is your responsibility.* Please contact your insurance company with any questions you may have regarding your coverage.

3. _____ **Co-payments and deductibles**: All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

4. _____ **Non-covered services**: Please be aware that some of the services you receive may be non-covered or not considered "reasonable and necessary" **by Medicare or other insurers**. You must pay for these services in full at the time of visit.

5. _____ **Proof of Insurance:** All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your current valid insurance as proof of insurance and may request a copy of your driver's license. If you fail to provide us with the correct insurance information in a timely manner, you will be responsible for the balance of a claim.

6. _____ **Claims Submission:** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.

7. _____ **Secondary insurance:** As a courtesy to you we will bill your secondary insurance company once. If payment is not received within 30 days of the date of the secondary insurance billing, it will be your responsibility to pay UGSC.

8. _____**Coverage Changes**: If your insurance changes, please notify us so we can make the appropriate changes. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you.

9. _____**Nonpayment:** If your account is over 90 days past due, you will receive a letter stating that you have 20 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you may be discharged from this practice.

10. _____Financial Disclosure

UroGynecology Specialty Center is a member of Santé Foundation Medical Group (SFMG) and I may receive a bill from SFMG for services provided by UroGynecology Specialty Center and/or the group's providers.

11. _____**Prior authorizations**: If your insurance requires a prior authorization for diagnostic and other procedures we will assist you in this process but, it is your responsibility to see that one is obtained prior to receiving this service.

12. _____For your convenience, we accept payment by cash, check, credit card and debit card.

13. _____**Returned Checks:** There will be a $15.00 service charge for all returned checks.

Upon being given a surgery and pre op date, you understand that a surgery date has been reserved specially for you. If you are unable to obtain preoperative requirements, such as bloodwork, medical, cardiac and any other clearances in a timely matter, surgery will be cancelled and fee of 500.00 with be administrated.
